Q Do I have to sign up for study hall or can I just drop in to work in that space?

A Anyone looking for a quiet space is welcome.

Q What do I do when I get there?

A Check in with the adult on duty. Let the person know your name and the assignment you are working on.

Q If I finish my work before the end of the academic block or before 8:30 p.m., do I need to stay the entire time?

A There is always something else you could be doing once you finish your assignment:

Study for an upcoming assessment | Review vocabulary words | Answer email | Work ahead

Q I am a Third Former and my check is at 8 p.m. What should I do if I want to go to study hall in the evening?

A Study hall overrides check. The study hall adviser checks you into study hall on REACH. After study hall, the adviser on duty checks you into your dorm. Please be sure to communicate with your adviser that you will be attending study hall.

Q I am a Fourth Former and my check is at 8:30 p.m. What should I do?

A Fourth Formers are released at 8:20 p.m. so they may check in on time.

Q May I see my teachers during their office hours or work with peer tutors, while I am in study hall?

A Yes. Work with your adviser to plan your schedule.

If you would like to personalize your academic goals, sharpen your study skills, or learn strategies and techniques for academic success, reach out to Mrs. Daniels at kdaniels@sps.edu.
