

Clark House Health Center

Immunization Entry Information & Checklist

Immunization Entry Information

New students

- Please refer to your child's latest immunization record.
- Click 'New' to enter the date of each vaccine given. Leave blank if your child hasn't received a certain vaccination.
- Click 'Submit' when complete.
- Scan your copy of the immunization record. Go to Upload Documents and follow instructions.

Returning students

- If your child received immunizations at their physical, please follow the above instructions to update your child's records.
